REAP the Rewards!**

Student Engagement

- Year-round (June 2019 to May 2020 (based on funding and support from parents and sponsors))
- One-on-One Tutoring
- Homework Help
- Weekly Group Activities
- Group Reading Circles
- Mentoring
- Workshops
- Field Trips for career exploration
- Entrepreneurism
- Guest speakers

Parent Engagement

To ensure student success, we need parents to commit to the following:

- Attend a 1-hour Orientation
- Support the program with a monthly financial donation of an amount that you choose
- Encourage and support your student to work toward simple goals each month.
- Help with occasional fundraising
- Provide transportation for your student to and from the Skills Center
- Support our Micro-Enterprise — small business to be managed by students
